

RSF Project Number	Russian PI	Russian Institution	Project Title	Austrian PI	Austrian Institution
20-41-05002	Beklemish ev, Lev	Steklov Mathematical Institute of Russian Academy of Sciences	New concepts of formal proof and proof representations	M. Baaz	Vienna University of Technology
20-42-05002	Shlyapnikov, Georgy	International Center for Quantum Optics & Quantum Technologies Limited liability company	Magnetic atoms: many-body physics and quantum technology	Baranov M.A.	Institute fur Experimentalphysik, Universität Innsbruck
20-43-05002	Bukhtiyarov, Valerii	Boreskov Institute of Catalysis of Siberian Branch of Russian Academy of Sciences	Single Atom Catalysis for Improved hydrogenation Selectivity (SACIS): model and applied catalysis on supported metal atoms and clusters	Rupprechter Gunther	Technical University Vienna
20-45-05002	Ovchinnikova, Tatiana	Shemyakin - Ovchinnikov Institute of Bioorganic Chemistry of the Russian Academy of Sciences	Molecular and cellular mechanisms involved in allergic sensitization	Bohle B.	Medical University of Vienna Center for Pathophysiology, Infectiology and Immunology Institute of Pathophysiology and Allergy Research
